Precautionary Statements

Hazards to Humans and Domestic Animals.

Caution: Harmful if swallowed. Avoid contact of mouth, skin or eyes with the evaporation holes.

Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

First Aid

If swallowed

- Call poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-222-1222 for emergency medical treatment information.

Environmental Hazards: Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Replace attractant every 21 days.

Step 1

Locate the carrier compartment inside the attractant tube. Turn cap counter-clockwise about 1/8 turn. Remove end cap. Save for future use, as cap is needed for other attractants.

Step 2

Peel off tamper evident seal from Lurex³ attractant cartridge. The appearance of condensation on the inside of the cartridge is normal. **Do not remove end cap from cartridge.**

Step 3

Insert Lurex³ attractant cartridge into attractant tube. Turn clockwise until it snaps into place.

Step 4

Remove and replace Lurex³ attractant cartridge every 21 days, using a counter clockwise rotation.

Storage & Disposal

Do not contaminate water, food or feed by storage and disposal.

Storage: Store unopened attractant cartridge in a cool, dry place.

Disposal: Do not reuse attractant cartridge. Dispose of used attractant cartridge in the trash.

Manufactured for: Woodstream Corporation.
